

Spelling Power Student Record Books will save you time and money

The *Spelling Power* program calls for the use of two different forms daily, as well as a number of forms on a level-by-level basis. These forms are integral to the proper use of the program. Each *Spelling Power* Student Record Book provides enough forms for one student to master the words on at least one level of *Spelling Power*. You are also provided with forms for placement and delayed recall testing and a student progress chart. Conveniently bound, with all forms printed in light blue so the student's own handwriting stands out, the Student Record Books provide you with a valuable record of your student's work. At only \$5.95 each, these pre-printed books cost less -- about 4¢ per page -- than it costs to photocopy the master forms provided in the *Spelling Power* manual.
